

Camp Half Moon

2018 CIT Leadership Training Application

Dear Leadership Campers,

We are very excited to tell you about our Leadership Training Program for 2018. Half Moon offers a three-year Leadership Training Program to campers entering grades 10 – 12. It is our goal to train our teen campers to become positive and effective role models, enabling them to easily transition into the role of Counselor upon graduation from high School. (Participation in the Third Year of the Program will be by invitation only.)

This is chance to learn to be a mentor, develop skills for a possible counselor position, to stretch the imagination and work as a team when designing a full-camp event. Leaders will assist in a variety of areas including programming, camp store, dining hall and camper cabins, in addition to assisting counselors in activities and in the bunks. Leaders will also be given an opportunity to work with our younger day campers in a variety of roles. The level of responsibility will increase with each year. Leaders will receive free time each day as well as scheduled activity time. In addition, Leaders will be offered chaperoned time off away from camp.

Second and third year leaders may have an opportunity to co-counsel a group of our Day Campers. Our CIT program is relevant to teens who are interested in developing and strengthening leadership skills, acting as role models, and gaining valuable work experience.

The tuition for the Leadership Program has been significantly reduced by level of participation as represented on the registration form. For this reason, no other discounts will apply to Leadership Participants. Third Year Participants will receive a stipend of \$50.00 per week.

We are looking forward to an exciting 2018 camping season. Space is limited for this program so register early. Please e-mail or call 888 528 0940 if you have any questions.
